

Angels & Demons

Dear Brothers and Sisters in Christ,

Both angels and demons are real, and God wants us to understand who they are, and how they operate.

Every day we are overwhelmed with the natural facts of life; what we can see, hear, smell, taste and touch, when the greater REALITIES of life are taking place on the invisible plane. As II Corinthians 4:18 says, "that which is seen is temporal, but that which is not seen is eternal." In "Angels & Demons" we are going to take a peak behind the veil into the unseen realm because when it comes to angels and demons, what you don't know CAN HURT YOU!

My friends, we are in a war, and the battlefield is the mind. Your enemy knows better than we do that he was defeated over 2,000 years ago, he just doesn't want *you* to know it. Too bad! Satan and Jesus duked it out -- and Jesus WON! What a liberating truth. Now it's your turn to walk in victory.

The goal of this class is to open your eyes to the spiritual realm so that you can KNOW the score; both the protection of angels, and how to defeat the enemy.

When you know these truths you realize that you and I need never walk in fear again because you never walk alone. Wherever you go throughout your day God and His Son are with you, and in you, plus you are backed up by and innumerable company of angels. How cool is that?

Things may pop up during this class that you need help with, or you may want to receive counseling, don't hesitate to get in touch with me by e-mail or call 706-265-1452. If anyone is interested in my notes I would be glad to e-mail you the pdf.

The closing song after each teaching is "Must Have Been Angels" by Kristy Starling. I love it. Except on the final CD, I close out with an instrumental called "Rapture" by Raphael. I just wanted to leave you with some soothing music to set your heart at ease and bless you.

My thanks to my brother in Christ, Dave Peebles, whose hunger to know more on this subject put a fire under me to go ahead and record what I had been working on for these last few months.

Our God is so big, He thought of everything - everything you and I need to walk in victory and live a life *full* of peace and joy. Understanding angels and demons is just one more way to claim what is legally ours and to live the more abundant life that Jesus Christ came to give.

Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place. II Cor. 2:14

Love in Christ,
Peg
